How to Sell Homes to Eager Buyers Who No Longer Qualify

featuring *David Compton*

Thursday, March 22nd 9:30am to 1:00pm

Solano Association of REALTORS®

1302 Springs Road - Vallejo

No Charge to Attend

Let's face it Short Sales are not getting any easier and tend to be more of a trap that you and your clients are helplessly caught up in. There are solutions to this quagmire that will not only get the house sold, but likely at a higher price than expected while avoiding certain closing costs in the process.

Sound too good to be true?

Join us on March 22nd to learn how to:

- Generate considerably more Buyer and Seller Prospects.
- Close less complicated and smoother transactions in half the time.
- Help Buyers purchase a home regardless of their tarnished credit report.
- Bypass the loan process and eliminate the need for lender approvals.
- Target certain markets that other agents are ignoring such as luxury homes.
